The University of California is an entity of the State of California. The Merced campus is the 10th campus in the University of California system. It is the University's policy not to complete credit applications in connection with purchases. The University should be considered an end user for purchases. Applicable sales taxes are normally invoiced and paid for products delivered to the University within the State of California. The University may be exempt from sales taxes when certain Federal funds are used for purchases or for items purchased for resale. (Resale #SR-KH-100-549577) Should this occur, your firm will be notified at the time of purchase. If you have any questions regarding this information, I can be reached at (209) 228-4611. Thanks in advance for opening an account on behalf of the University of California, Merced.
